LOS ANGELES, March 10 .- A line of the speedlest, handsomest steambetween San Francisco and whole group. San Diego, cutting the running time from 26 hours to 18 and putting the service in the first rank of coastwise lines on the Pacific or Atlantic, is planned by the Pacific Coast Steamship Company according to semi-official information. J. D. Farrell, regarded as Harriman's fleutenant is the Puget Sound region, and Samue Hill, son-in-law of James J. Hill of the Great Northern, are in Los Angeles, paving the way for this and many other improvements. The steamship company is to abandon Port Los An geles, establishing large docking facilities at San Pedro. The company's wharfage at San Diego is to be in-

SEATTLE, March 10 .- The steam hio Stanley Dollar, owned by Robert Dollar of San Francisco and named for his son, was launched today at the ship yards of the Moran Company. The Stapley Dollar is 250 feet long, cargo capacity 2,500 tons, built of steel and especially designed for the coastwise lumber trade. She is a new type of vesse; and is equipped with oil carying capacity for forty days steaming ind every modern labor-saving device HERRERREREE for handling cargo. Mrs. Dollar broke the bottle of wine over her prow.

LAST NIGHT fragments of a wire ss message from the U.S. A. T. Sherman, thirteen hundred miles out from Honolulu, were received here at the Naval Station wireless office. Expert isbell caught parts of the mes-sage, but on account of the noise along the waterfront, was not able to get all that Operator Farwell on the Sherman was saying. Isbell made arrangements with Farwell when the transport was here to call Honolulu until the boat had reached over 2000
